Dear Boulder Junction Neighbor,

Something extraordinary is about to happen in your neighborhood!

CenturyLink is teaming up with Boulder Junction and the State of Wisconsin to bring high-speed fiber-optic service to homes and businesses in your area.

You may not be familiar with CenturyLink. We are a Lumen Technologies brand rooted in a rich, historical legacy stretching back nearly 100 years, unifying approximately 30 different companies and extensive global infrastructure. We look forward to making fiber internet service a reality for you as part of Wisconsin's border-to-border broadband goal.

As you know, more people connect with more devices and rely on their internet service more than ever. CenturyLink Fiber Internet offers incredible speeds, reliability, and flexibility to households like yours with the need for everything from binge-watching and gaming to telehealth, shopping, and working remotely.

*"The internet plays a big role in daily life. CenturyLink Fiber can provide the capacity Boulder Junction residents need to support all these connections and be ready for what lies ahead. CenturyLink is here to deliver a fast, reliable connection, with fair pricing and no contracts."*

~ Stephen Whiteing, vice president, consumer sales, CenturyLink

Soon, you'll see us locating and replacing existing cables and burying new high-capacity fiber in your neighborhood and along public roads and easements.

Later this year, we should be ready to offer you fast and reliable internet service, and we will let you know how you can upgrade to fiber. If you choose CenturyLink Fiber Internet, we will bury a "drop" fiber cable along your driveway. Then, your household can access ultra-fast, reliable fiber internet and stay connected to what you love most.

Learn more about us at [www.centurylink.com](http://www.centurylink.com). We will share more information about this exciting fiber internet construction soon.

Sincerely,

Your Wisconsin CenturyLink Team

Customer speed experiences will vary, particularly when accessing the Internet wirelessly from various devices. Download speeds are via a wired connection. Internet speeds vary due to conditions outside of network control, including customer location, equipment, and access through a wireless connection, and are not guaranteed. See [centurylink.com/InternetPolicy](http://centurylink.com/InternetPolicy) for additional network performance information.

CenturyLink services are not available everywhere. CenturyLink may change, cancel, or substitute offers and services, or vary them by service area, at its sole discretion without notice. All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at [centurylink.com/terms](http://centurylink.com/terms). Additional restrictions apply. © 2021 CenturyLink. All Rights Reserved.
